Job description

About Samsung Austin Semiconductor

Samsung is a world leader in advanced semiconductor technology, founded on the belief that the pursuit of excellence creates a better world. At Samsung Austin Semiconductor, we are Innovating Today to Power the Devices of Tomorrow.

Come innovate with us!

Position Summary

We're looking for motivated and curious engineering students to join Samsung Austin Semiconductor as interns. Our hands-on 11-week internship offers the opportunity to work alongside experienced engineers on real-world projects that impact our products, processes, and technologies. Interns will gain valuable exposure to the semiconductor industry, leading edge tools, team collaboration, and problem-solving in an advanced manufacturing environment.

Role and Responsibilities

In addition to the hands-on project experience, you'll get:

- Team-building events with your intern cohort

- Personalized mentorship and networking with Samsung leaders
- A professional resume workshop(s)
- Competitive pay plus a sign-on bonus
- Medical, dental, and vision benefits

The majors that we typically hire for our internship programs include:

- Electrical Engineering
- Mechanical Engineering
- Chemical Engineering
- Computer Science/Computer Engineering
- Physics
- Environmental Health & Safety
- Safety Engineering
- Industrial Engineering
- Math
- Statistics
- Materials Science
- Industrial Hygiene

Skills and Qualifications

In order to be considered you'll need:

- Relevant field of study and interest in semiconductor manufacturing
- GPA (must be 3.0 or better)
- Willingness to work onsite full-time for 11 weeks at our Austin or Taylor Tx location (specific location will depend on business need)
- Prior successful experience as a SAS intern or capstone participant, or scholarship/loan recipient is also considered

If you're interested in working with a world class manufacturing organization and want to gain experience in the exciting world of semiconductors, this might be the right fit for you. Come check us out!

Total Rewards

At Samsung Austin Semiconductor, base pay is just one part of our total compensation package. The base compensation for this role will depend on education, experience, skills, and location.

We offer a comprehensive benefits package, including:

- Medical, dental, and vision insurance
- Life insurance and 401(k) matching with immediate vesting
- Onsite café(s) and workout facilities

- Paid maternity and paternity leave
- Paid time off (PTO) + 2 personal holidays and 10 regular holidays
- Wellness incentives and MORE

Eligible full-time employees (salaried or hourly) may also receive MBO bonuses based on company, division, and individual performance.

All positions at Samsung Austin Semiconductor are full-time on-site.

U.S. Export Control Compliance

This role may require access to information subject to U.S. export control laws. Applicants must be authorized to access such information or eligible for government authorization.

Trade Secrets Notice

By submitting an application, you agree not to disclose to Samsung—or encourage Samsung to use—any confidential or proprietary information (including trade secrets) belonging to a current or former employer or other entity.
